Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Vide G.O.No.Fl.1317/Gen.Fin. 32-05-3 dated 7th August 1906.

Submitted.

As a number of Clerks are required for Camp duty here and as, under the present circumstances, the officials that have to work in the Camp will be put to a deal of inconvenience in the matter of boarding etc., it is requested that the Special batta at Six annas a day for Clerks and 2½ annas a day for the Menial Establishment, allowed on Dasara occasions may also be ordered to be allowed on the present occasion ~~as well~~.

Special Duty Officer.

2nd May 1910

I would strongly recommend that the above concessions may be granted to the officials & menials on this occasion. I need not say that the duty of attending to guests on this occasion is likely to be more taxing than during the Dasara.

I would also recommend that ~~one~~ two carriages may be placed

N. B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

at the disposal of the Special duty officer, one mainly for his own use & one for the use of clerks &c who may have to go out every day at all times to all parts of the city in connection with the arrangements.
